9:00-11:30- Using Google Apps for Education in the FSL Class

Harness the power of Google Apps for Education in your FSL classroom. After an overview of Google Drive, Docs, Presentations, Forms, Sheets, and Drawings, Sylvia will show you how you and your students can collaborate and get creative using these apps. She will showcase student projects as well.

11:30-1:00 Lunch (not included)

1:00-3:30- Using Social Media in the FSL Class and for Teacher Professional Development

Learn how to use Twitter, Facebook, and Google+ to make international connections with other educators and classes around the world. Sylvia will demonstrate how these connections allow teachers and students to interact on social media with each other and to collaborate on projects.

The facilitator:

Sylvia Duckworth is an award-winning French teacher and technology coach from Toronto with more than 30 years teaching experience in the public and private systems.
